

## COOKIE POLICY

---

SIA Park Smart, website <https://parksmart.lv> uses the cookies to improve the website functions and operations.

### What is a cookie?

Cookies are small text files saved in the memory of a user's device during his visit to the website. When visiting the website next time, the cookies are sent back to the website of their origin or another website that may recognise this cookie. The cookies operate as a memory of an individual website, allowing this website to remember the user's device during his following visits particularly cookies may remember user's setting or contribute to user's convenience.

Information related to cookies is not used to identify a website user. At parksmart.lv, the cookies are used for the goals set forth in this cookie policy.

### Detailed information about the used cookies

parksmart.lv uses cookie named - **\_parksmart\_session**. It is a technologically necessary cookie whose purpose is to support the website operation and functions, and this website will be unable to operate without it. In addition, **\_ga**, **\_gat** and **\_gid** cookies are used for the statistical purposes. Please see more detailed information in the below table:

Name	Tips	Purpose	Life span
_parksmart_session	Pirmās puses sīkdatnes (HTTP)	Necessary (non-classified) cookie	1 year
_ga	Statistical (Google Analytics)	registers a unique ID used for generation of statistical data with regard to how this website is used by the user	2 years
_gat	Statistical (Google Analytics)	registers a unique ID used for generation of statistical data with regard to how this website is used by the user	2 years
_gid	Statistical (Google Analytics)	registers a unique ID used for generation of statistical data with regard to how this website is used by the user	2 years

### Cookie management

If you would like to limit the use and saving of cookies on your device or to delete already saved cookies, you may do so in the browser settings. More detailed information about the cookie management is available here <https://www.aboutcookies.org.uk/managing-cookies>

### Additional information

In case of any changes (e.g. when new cookies start to be used), parksmart.lv will ask its website visitors to review the information about the used cookies again and to make their choice or to give consent with the use of cookies.

parksmart.lv website may contain links to third parties' websites (e.g. Facebook, Instagram). parksmart.lv is not responsible for the content of third parties' websites and services offered thereby.
